## Junk / Salvage / Loss

This section discloses events related to junk, salvage and insurance total loss. These events may include state DMV title disclosures related to junk or salvage, insurance total loss events and salvage auctions or junk yard disclosures. Events related to an auto dismantler, auto recycler or crush facility indicate that the vehicle has sustained major damage. A vehicle that has been received by a salvage auction or junk yard may indicate that major prior damage was sustained, however these entities also remarket undamaged vehicles. We recommend an inspection for further clarification.

There have been no Junk, Salvage, Total Loss events reported to instaVIN®.

## Title Information

This section identifies this vehicle's current and historic titles issued. Each title represents a new title holder, or in some cases a duplicate title may be issued. Odometer readings are recorded at the time of each newly issued title. Title brands are indicated providing the past and current brand status associated with the title.

There have been no problem title events reported to instaVIN®.
